Supporting your success every step of the way

Your learning experience is our priority. To support your success, students have access to individual mentoring sessions, our on-line study platform and where the course requires, workshops that are local. Friends, when you enrol with ACE you are supported by our locally based teams for your entire learning journey. That's really important information to know.

ACE delivers the total study package and learning experience:

- Monthly intakes (means no waiting to get started)
- Work placement organised by us (that's correct, all our Students have their mandatory work placement arranged by ACE in a location that is close to you)
- Scheduled visits by our trainers to your Centre/Facility (it is always great to see a friendly face when you are starting out)
- 24/7 access to Canvas (our online portal)
- Study local to you (ACE has many Campus locations, additionally we deliver on-site out reach)
- Funding is available for eligible students
- Our payment plans can help Students reach their goals faster
- Student mentoring; and
- Study support from our trainers is exceptional throughout the learning journey. When you study with ACE you are never alone.

The entire ACE Community Colleges team is proud to be actively supporting regional communities to thrive. Careers begin right here every week.

Nationally Recognised Training

Diploma of Business

COURSE CODE | BSB50120

Perfect for budding entrepreneurs, or anyone looking to step up to executive roles. Learn advanced skills and knowledge needed for frontline management responsibilities in a variety of Business Services. Individuals in these roles may already have substantial experience in the sector but require further understanding of key business functions and complex operations.

"Employers are looking to succeed and deliver outstanding business outcomes, and in this course, you will discover how to do just that. A great choice for anyone keen to progress to management roles in diverse business industries."

– Justine
Diploma of Business trainer, Northern Rivers campuses

Study Business

Diploma of Leadership and Management

COURSE CODE | BSB50420

This qualification is designed to prepare individuals for senior management roles, with a focus on strong leadership and positive guidance of a team. Learn how to use initiative and judgement in planning, implementing and monitoring your own workload as well as effectively coordinate others. In this critical position of influence, strengthen your emotional intelligence to assist in managing the day to day.

"I felt a need to leave retail and progress, but I wasn't sure which direction to take. The Diploma of Leadership and Management is a versatile qualification that I can utilise in any industry, so it was a perfect choice for my traineeship. With the support and encouragement of the ACE team and trainer Justine, the experience has been enjoyable, stress-free and fulfilling. I've gained a lot of confidence and valuable knowledge, and I'd definitely recommend ACE to others!"

Certificate III in Individual Support

COURSE CODE | CHC33021

A truly fulfilling career in community care begins right here. This is an entry-level qualification, suitable for anyone looking to make a difference on the frontline of ageing and disability. Successful completion of this Nationally Recognised qualification can boost your employability as a care or disability worker in a community, home or residential care setting. You will discuss options of specialising in aged care or disability care with the ACE Student Services team on enrolment.

"I have become much more confident and less fearful of learning new things. Don't give up, don't let your fears rule you, learn from mistakes and don't let negative thoughts get in your way. I have got my first qualification, and I am an example to my children by being persistent and determined, showing them that you can achieve anything if you really want to."

– Annie

Certificate IV in Leisure and Health

COURSE CODE | CHC43415

An exciting possibility for anyone wanting to create a fun, empowering culture for individuals in care. Break up the daily routine and bring your enthusiasm into the mix. Design, implement and evaluate the most effective recreational activities and programs for maximum benefit to clients. If you have existing experience but need to formalise your qualifications, talk to our Customer Care Team about an RPL (Recognition of Prior Learning) pathway.

"My trainer was an excellent teacher, encouraging and patient. Now that I have achieved this qualification, my work situation has improved greatly, and doors have opened for further opportunities as an Activities Officer."
