Working in early childhood is life-changing. This is a rewarding career where you can make a difference and be a positive influence in shaping young lives. It is also a great time to start a career in early childhood with the sector expanding rapidly. People with the right qualifications are in demand.

Depending on your qualification level your job outlook includes – Early Childhood Educator, Child Carer, Supervisor, Centre Manager, Teacher, Learning Mentor, Community Education Officer & Student Advisor.

EARLY CHILDHOOD EDUCATION

CHC30113 CERTIFICATE III IN EARLY CHILDHOOD EDUCATION & CARE

The role is all about nurturing young children’s wellbeing and assisting in their social, emotional, physical and educational development needs. This Certificate III entry level qualification is the minimum requirement for employment in a range of early childhood education settings including Long Day Care, School Aged Care, Family Day Care & Kindergartens.

YOU IN THE WORKPLACE

You combine your Certificate III study with ACE Community Colleges Southport or Burleigh and an industry placement. Your work placement is organised for you at an Early Childhood Centre near you.

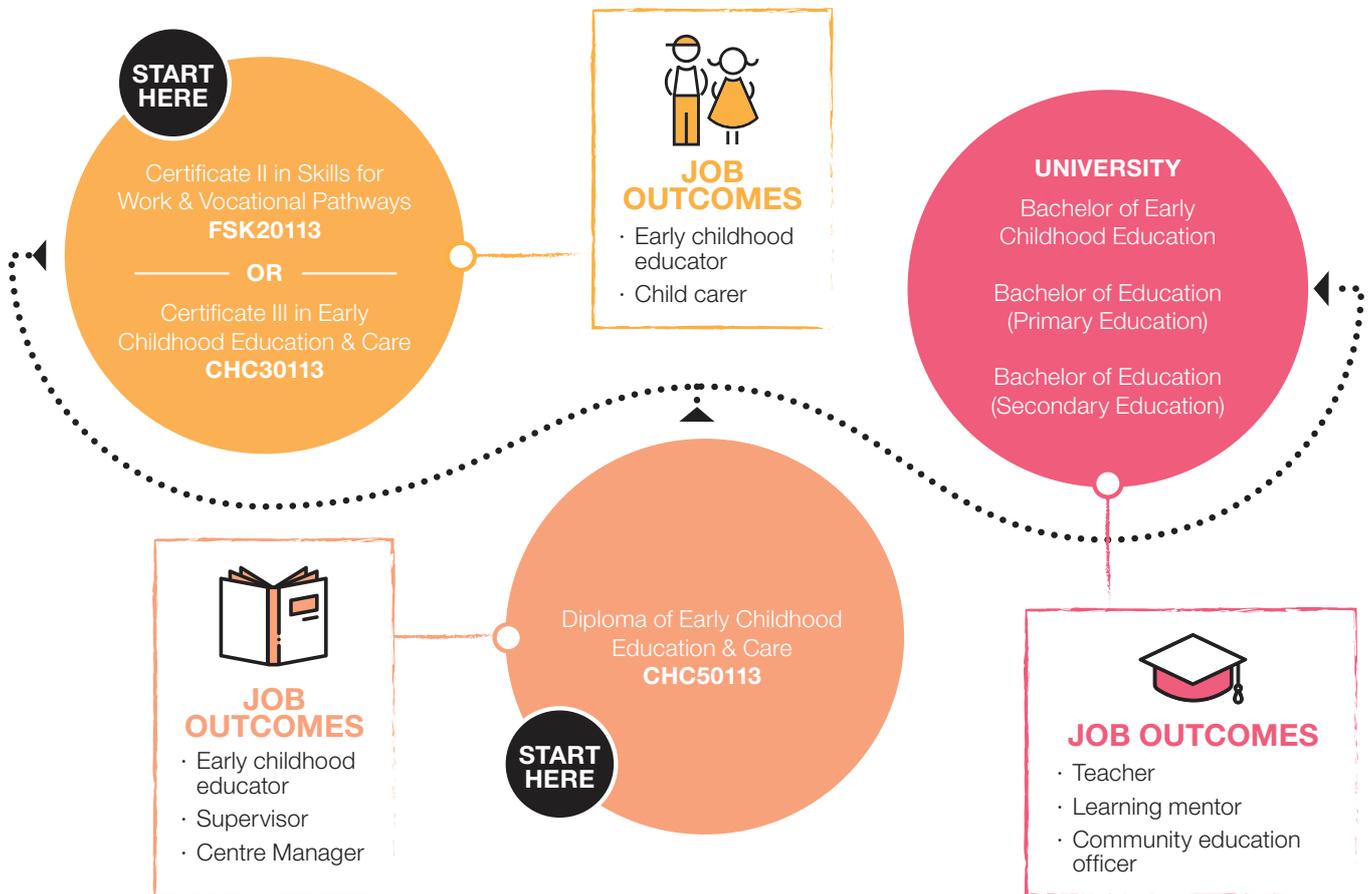

IMPORTANT POINTS

- Your qualification training is delivered by ACE Community Colleges Burleigh using the Blended Training Model
- You receive maximum support from our trainers who are industry specialists
- You also complete HLTAID003 Provide First Aid or HLTAID004 Provide an Emergency First Aid Response in an Education/Care setting
- You receive and keep all your learning resources and materials
- We arrange and place you with an employer organisation to complete your at work components.

CAREER PATHWAYS

An investment in a quality, nationally recognised qualification and a little career pathway planning now really does supersize your employment future. With ACE there are so many ways to learn, plus you can complete your Certificate I, II, III, IV and Diploma – you decide what works for your end game.

“These qualifications have massively helped my career in many ways. My confidence in my job has hugely increased. I now have the knowledge and understanding to do the role to my best ability. My training has given me the opportunity to get a job in a great location”
