

# LEARNER DRIVER KNOWLEDGE COURSE

## YOU CAN GET IN THE GAME

**This program is dedicated to helping people achieve great things.**

**Join our interactive course sessions, these aim to help you gain your Learners licence with confidence [and a smile].**

**Receive driver education in literacy, language and numeracy to assist with the Driver Knowledge Test.**

**All of this will only take you 8 short weeks. Imagine where you will go - just say yes.**

### ELIGIBILITY

- People experiencing isolation and disadvantage through lack of access to transport.
- Learner drivers who don't have the social or family connections to assist in mentoring and learning the learner drivers manual
- People with disabilities and mental health challenges.
- People under severe financial distress
- People from indigenous Communities
