Certificate III in Business

COURSE CODE **BSB30120**

You can really go anywhere with this versatile, Nationally Recognised qualification. It provides the fundamental building blocks to support you to pursue any career path. A truly fantastic starting point for those curious about business services and looking to give their resume a boost. Also a match for an existing office all-rounder looking to formalize their experience.

“I was working in retail and struggling to change my career. The course is very helpful and I got a full time administration role after completing my Certificate III. I would really recommend this to anyone looking to get ahead in the workplace.”

– Wing
Certificate III in Business graduate

Diploma of Business

COURSE CODE **BSB50120**

Perfect for budding entrepreneurs, or anyone looking to step up to executive roles. Learn advanced skills and knowledge needed for frontline management responsibilities in a variety of Business Services. Individuals in these roles may already have substantial experience in the sector but require further understanding of key business functions and complex operations.

“Employers are looking to succeed and deliver outstanding business outcomes, and in this course, you will discover how to do just that. A great choice for anyone keen to progress to management roles in diverse business industries.”

– Justine

Diploma of Leadership and Management

COURSE CODE BSB50420

This qualification is designed to prepare individuals for senior management roles, with a focus on strong leadership and positive guidance of a team. Learn how to use initiative and judgement in planning, implementing and monitoring your own workload as well as effectively coordinate others. In this critical position of influence, strengthen your emotional intelligence to assist in managing the day to day.

“By completing this Diploma you will become a formidable business leader or team manager. It covers highly sought-after skills to set you up for success in your career.”

LOVE

WHAT YOU DO

Certificate III in Individual Support Disability

COURSE CODE **CHC33015**

Kickstart a career making a difference to the lives of people living with a disability in community or residential settings. Successful completion of this qualification will provide you with the transferable skills and knowledge you need to enter this growing industry with confidence. If you already hold an existing Certificate III in Individual Support, use these specialisation units to expand your skills and employment options.

"I currently work as a support worker and this has given me much more confidence in my job, as well as taught me new skills that I am able to apply to my work. The trainer was extremely helpful and supportive. She made my experience very pleasant, and I could not recommend her enough."

– Enisa

ELIGIBILITY CRITERIA APPLIES – Please contact us for further information and a personalised quote.

Certificate III in Individual Support Ageing

COURSE CODE **CHC33015**

Begin a truly fulfilling career in aged care or community care. This is an entry-level qualification, suitable for anyone with a passion for community and looking to make a difference on the frontline. Boost your employability as a care worker or assistant in nursing in a residential aged care facility. If you already hold an existing Certificate III Individual Support, these specialisation units can expand your skills and employment options.

“The aged care industry is very rewarding. It’s all about putting a smile on people’s faces every day and giving back to the community. This qualification can drive success, give you confidence, and a pathway into job roles and further study.”

– Ann

Certificate IV in Leisure and Health

COURSE CODE **CHC43415**

An exciting possibility for anyone wanting to create a fun, empowering culture for individuals in care. Break up the daily routine and bring your enthusiasm into the mix. Design, implement and evaluate the most effective recreational activities and programs for maximum benefit to clients. If you have existing experience but need to formalise your qualifications, talk to our Customer Care Team about an RPL (Recognition of Prior Learning) pathway.

“My trainer was an excellent teacher, encouraging and patient. Now that I have achieved this qualification, my work situation has improved greatly, and doors have opened for further opportunities as an Activities Officer.”

– Peter

Diploma of Community Services

COURSE CODE **CHC52015**

Gain the knowledge and skills you need to provide important, person-centred support to vulnerable members of the community. Help others feel empowered and safe, in an engaging and rewarding career. Use this qualification to work in a range of community service contexts that may require you to provide supervision to other workers and volunteers in managing their daily tasks.

If you are employed in the sector you may be eligible for RPL (Recognition of Prior Learning) which can significantly decrease the time required to complete your qualification.
