WHAT YOU DO ♥

ACE is a community college redefining careers, changing outlooks and empowering positive futures. Now that's something to get excited about.

But don't take our word for it. We recently caught up with graduates from across our College to talk careers, motivation, pathways and ultimate goals. What they have to say is refreshingly good stuff so we are sharing.

Krissy Newman-Brown

CHC30113 • CERTIFICATE III IN EARLY CHILDHOOD EDUCATION AND CARE

I was browsing subjects relating to Early Childhood and clicked on the ACE website. From there I was offered a Scholarship and here I am today with my Certificate III completed.

Brittany Dawson

CHC50113 • DIPLOMA OF EARLY CHILDHOOD EDUCATION AND CARE

I had just come back from living in Paris as a Nanny for a few years. Studying with ACE was the best decision I ever made. It gave me the flexibility to still work full time but also have the support from a trainer when I needed it.

Gail Warid

CHC30113 • CERTIFICATE III IN EARLY CHILDHOOD EDUCATION AND CARE

I wanted new challenges and decided to make a transition into family day care after 25 years of holding a degree in Primary School Education. I can remember my first day in class, when I stepped into the room the atmosphere was immediately friendly.

CHC30113 • CERTIFICATE III EARLY CHILDHOOD EDUCATION AND CARE

I have a lot of ambitions in childcare, and this was the first step. Compared to other places that offered online-learning delivery packages alongside face-to-face classes to attend, ACE blew them out of the water.
