ACE COMMUNITY COLLEGES

Fee Free Courses

NSW Fee Free improves access to training for young people, job seekers, First Nations People, unpaid carers, women undertaking study in non-traditional trades and certain categories of visa holders.

It does this by offering:

- Full and part qualification courses
- Courses at TAFE NSW and other Smart and Skilled contracted training providers, including Adult and Community Education providers
- Enrolments until 31 December 2023.

Who is eligible?

Smart and Skilled provides eligible students with an entitlement to government subsidised training up to and including Certificate III; government funding for higher-level courses (Certificate IV and above) in targeted priority areas.

Under Skills NSW, you may be able to study a fee-free course if you are:

- 15 years old or over
- No longer at school
- Living or working in NSW
- An Australian citizen, permanent resident, humanitarian visa holder or New Zealand citizen.

Certificate III in Individual Support

COURSE CODE | CHC33021

A truly fulfilling career in community care begins right here. This is an entry-level qualification, suitable for anyone looking to make a difference on the frontline of ageing and disability. Successful completion of this Nationally Recognised qualification can boost your employability as a care or disability worker in a community, home or residential care setting. You will discuss options of specialising in aged care or disability care with the ACE Student Services team on enrolment. If you already hold an existing Certificate III Individual Support, these specialisation units can expand your skills and employment options.

“The aged care industry is very rewarding. It’s all about putting a smile on people’s faces every day and giving back to the community. This qualification can drive success, give you confidence, and a pathway into job roles and further study.”

– Ann
