Supporting your success every step of the way

The big news is that classroom learning has returned to ACE in all Campus locations. Your learning experience is our priority. To support your success, students have access to individual mentoring sessions, our on-line study platforms and where the course requires, workshops that are local. Friends, when you enrol with ACE you are supported by our locally based teams for your entire learning journey. That's really important information to know.

ACE delivers the total study package and learning experience:

- Rolling intakes (means no waiting to get started)
- Work placement organised by us (that's correct, all our Students have their mandatory work placement arranged by ACE in a location that is close to you)
- Scheduled visits by our trainers to your Centre/Facility (it is always great to see a friendly face when you are starting out)
- 24/7 access to Canvas or eSkilled (the online portals)
- Study local to you (ACE has many Campus locations, additionally we deliver on-site out reach)
- Funding is available for eligible students
- Our payment plans can help Students reach their goals faster
- Student mentoring; and
- Study support from our trainers is exceptional throughout the learning journey. When you study with ACE you are never alone.

The entire ACE Community Colleges team is proud to be actively supporting regional communities to thrive. Careers begin right here every week – **love what you do.**

Study Business

Certificate III in Business

COURSE CODE | BSB30120

You can really go anywhere with this versatile, Nationally Recognised qualification. It provides the fundamental building blocks to support you to pursue any career path. A truly fantastic starting point for those curious about business services and looking to give their resume a boost. Also a match for an existing office all-rounder looking to formalize their experience.

"I was on the hunt for work & felt that I needed to take a big step in life. I was offered a traineeship with ACE as part of a job I absolutely love and have never looked back. This course has already helped me in many ways, the whole process has been amazing. My advice to anyone is to go for it, 100% give it a go!"

– Madison

Diploma of Business

COURSE CODE | BSB50120

Perfect for budding entrepreneurs, or anyone looking to step up to executive roles. Learn advanced skills and knowledge needed for frontline management responsibilities in a variety of Business Services. Individuals in these roles may already have substantial experience in the sector but require further understanding of key business functions and complex operations.

“Employers are looking to succeed and deliver outstanding business outcomes, and in this course, you will discover how to do just that. A great choice for anyone keen to progress to management roles in diverse business industries.”

– Justine

Study Business

Diploma of Leadership and Management

COURSE CODE | BSB50420

This qualification is designed to prepare individuals for senior management roles, with a focus on strong leadership and positive guidance of a team. Learn how to use initiative and judgement in planning, implementing and monitoring your own workload as well as effectively coordinate others. In this critical position of influence, strengthen your emotional intelligence to assist in managing the day to day.

“This course significantly improved my existing management skills and prompted me to explore new leadership opportunities. It has opened doors to new possibilities. I would strongly encourage enrolling in ACE for its practical and applicable content. The personalised support from instructors makes the learning journey not only educational but also enjoyable.”

– Colby

Certificate III in Individual Support

COURSE CODE | CHC33021

A truly fulfilling career in community care begins right here. This is an entry-level qualification, suitable for anyone looking to make a difference on the frontline of ageing and disability. Successful completion of this Nationally Recognised qualification can boost your employability as a care or disability worker in a community, home or residential care setting. You will discuss options of specialising in aged care or disability care with the ACE Student Services team on enrolment.

“This is definitely a fresh start and a career change for me. I decided to enrol with ACE because it offered me the availability, monthly intakes and personal service I was looking for. To others thinking about this course – just do it. I had an amazing teacher and training experience.”

– Samantha

Study Community Care

Certificate IV in Leisure and Health

COURSE CODE | CHC43415

An exciting possibility for anyone wanting to create a fun, empowering culture for individuals in care. Break up the daily routine and bring your enthusiasm into the mix. Design, implement and evaluate the most effective recreational activities and programs for maximum benefit to clients. If you have existing experience but need to formalise your qualifications, talk to our Customer Care Team about an RPL (Recognition of Prior Learning) pathway.

“My trainer was an excellent teacher, encouraging and patient. Now that I have achieved this qualification, my work situation has improved greatly, and doors have opened for further opportunities as an Activities Officer.”

– Peter

Certificate III in Early Childhood Education and Care

COURSE CODE | CHC30121

This entry-level qualification will equip you with the in-demand skills and knowledge to get started as a professional early childhood Educator. Learn to work in long day care centres, family day care, preschools, or kindergartens, within the requirements of the Education and Care Services National Regulations and the National Quality Standard.

“I loved the environment at ACE, it is very welcoming and I felt very comfortable coming to class. I enjoyed the face to face training and having great supportive trainers. The course helped me enter my early childhood career, and obtain a job in this field at a local centre, which I am really loving working at!”
