

Supporting your success every step of the way

Your learning experience is our priority. To support your success, students have access to individual mentoring sessions, our on-line study platform and where the course requires, workshops that are local. Friends, when you enrol with ACE you are supported by our locally based teams for your entire learning journey. That's really important information to know.

ACE delivers the total study package and learning experience:

- Monthly intakes (means no waiting to get started)
- Work placement organised by us (that's correct, all our Students have their mandatory work placement arranged by ACE in a location that is close to you)
- Scheduled visits by our trainers to your Centre/Facility (it is always great to see a friendly face when you are starting out)
- 24/7 access to Canvas (our online portal)
- Study local to you (ACE has many Campus locations, additionally we deliver on-site out reach)
- Funding is available for eligible students
- Our payment plans can help Students reach their goals faster
- Student mentoring; and
- Study support from our trainers is exceptional throughout the learning journey. When you study with ACE you are never alone.

The entire ACE Community Colleges team is proud to be actively supporting regional communities to thrive. Careers begin right here every week.

3 simple steps to success

Making your application for an accredited course is simple. You can apply online at any time via our website www.acecolleges.edu.au.

Our tip for fast tracking your course application is to have your Unique Student Identifier (USI) ready, or you can ask ACE for assistance. The USI process is online and easy.

1 APPLY

Find the course that calls to you! Select the blue Apply Now tab on the course page and complete the online form. Press Submit Application. Alternatively visit or phone an ACE campus near you.

2 ELIGIBILITY REVIEW

Your Application will then be checked and contact made to arrange a time for an interview where we collect and discuss all the details and requirements to complete the application. You may be eligible for funded course fee support. Our team will make that assessment upon interview. You can read more about funded fee eligibility by exploring the information in the **HOW TO APPLY** tab of our website.

3 ENROL

With your Application and interview successfully finalised and course fees assessed, you may be offered a place in our course; and an acceptance of your Enrolment will be emailed to you pronto.

Study Community Care

Certificate III in Individual Support

COURSE CODE | CHC33021

A truly fulfilling career in community care begins right here. This is an entry-level qualification, suitable for anyone looking to make a difference on the frontline of ageing and disability. Successful completion of this Nationally Recognised qualification can boost your employability as a care or disability worker in a community, home or residential care setting. You will discuss options of specialising in aged care or disability care with the ACE Student Services team on enrolment.

“I encourage anyone to follow their strengths, their passions, and study in that field. You may surprise yourself, like I did. I learnt new things, how to use modern technology, became more confident, and grew both personally and professionally. Definitely go for it.”

– Tony
